Outdoor Leader Skills

What does poison ivy look like? Can't we have something else besides hot dogs on our campouts? What does pack it in—pack it out mean? Can you sharpen a knife? What is lashing? What is mole skin and why do I need it?

Do you know all of these answers? Your youth will ask and it is the council's desire that ALL the leaders can answer and demonstrate these and many more topics. Besides, it is great to learn all of this without the youth hanging over your shoulder. Come join us for some scouter fellowship as we make sure that ALL YOUTH HAVE A TRAINED LEADER!!!!!!

DEADLINE: October 15

EVENT: October 29—31

Heroism Award Recipients

Dale Wilson

David Drawdy

Stephen Scott

Jon Wisham

First United Methodist Church of Tifton

The Heroism Award is presented to scouts or scouters who have demonstrated heroism and skill in averting serious injury or saving or attempting to save the life of another at some minimum risk to himself. 100 Heroism awards were presented in 2005. The application must be made and factually verified by sworn statements of eyewitnesses and independent evidence. The award is then approved by the National Court of Honor of the Boy Scouts of America.

Heroism Award Ceremony

Jon Kevin "Jack" Wisham

Jack performed an act of unselfish bravery on December 29th, 2004 when he pulled his 3 year old brother, Joshua, from a pond when his toy jeep turned over and threw him into the pond. Joshua suffers from an immune deficiency that makes him highly susceptible to bacteria. Jack acted quickly to get him the attention he needed due to this deficiency.

Stephen Scott and David Drawdy

On a scouting trip March 12, 2004, these two adult scouters witnessed a traffic accident. One SUV with 2 women flipped and the women were trapped inside with gas flowing into the vehicle. The men helped direct traffic and when the women could not escape, they helped remove the rear window for access. One women was trapped and had to wait for a patrolman to cut her seat belt. The women were treated by the scouters until the EMT arrived. This act showed true bravery as the men worked with explosive fumes and speeding traffic to save the two women.

Dale Wilson

On July 31, 2004, Dale was on his way to work. Dale arrived on the scene of an accident. Another person was calling authorities as Dale reassured the driver and asked about other passengers. At this time smoke was coming from the vehicle and fire was seen on the steering column. The driver's door was stuck and Dale reached and pulled the victim through the driver's window by the his armpits. Dale performed treatment for shock as they waited for the EMT and police. The vehicle and several trees did catch fire. Dale showed many aspects of his scouting training in assisting at the accident.

“This is the best camp I have been to at Osborn!” This remark has been resounding across Camp Osborn all summer long. Thanks to a dedicated staff, this year’s summer camp has been AWESOME!!!!!! The first week of camp hosted 55 campers and the second week hosted 94 campers. Thanks to all the youth staff and adult staff for volunteering their summer to make the Chehaw Council shine. The staff enjoyed all the campers who came out and attended our merit badge classes. Lots was learned as they made their way along the Eagle trail. Thanks to T. J. Garten for spear heading the Trailblazer program. Boy, did we have a run on new campers!!!! Handicraft director, Miki Hutchinson, and First Aid instructor, Patrick Bonds, had a great turn out for their merit badges. This shows that our council is growing.

A big thank you to all the scoutmasters who helped in the merit badge areas. Many thanks for helping with the tree identification for the ecology area ,the weaving and leatherworking in the handicraft area, the extra eyes at the waterfront, and the help in First Aid. We appreciate you.

The scoutmasters were treated to a steak supper during the week courtesy of Scout Executive David Foil and the council. Thanks to Eric Ginter for the barbecuing and David Wilson for the procurement. The steaks were done to perfection and the camaraderie was enjoyed immensely.

Sam Thompson, Camp Director, and Andy Taylor, Program Director, say that they had a great time interacting with the campers, staff , and scoutmasters. They are looking forward to a great year next year with all the Chehaw Council boy scouts and any out- of -council troops.

This den enjoyed a great time at the encampment provided by Venture Crew 100.

Day Camp Directors included: Ada Davis, Carol Burnham, Miki Hutchinson, Michele Lingefelt, and Lisa Foil. Lisa and Miki have called this their last day camp. Thanks for all the great memories!!

DAY CAMP 2006

Day Camp was a huge success. 117 cub scouts, 38 den chiefs, and 38 support staff were on hand for the Corps of Discovery. Scouts were treated to an encampment scenario provided by Venture Crew 100 of Sylvester. They were treated to games, foods, period clothing, candle making, tomahawk throwing, flint and steel fire-starting and Indian affairs of the 1800s. Other areas included the slip-n-slide, crafts, swimming, shooting sports, and areas which included historical lessons: the gold rush, trappers, trackers, traders, and Indian negotiations.

An extra big thank you to all the Den Leaders, Den Chiefs, and Area Leaders. You are FANTASTIC!!!! Day Camp is dependent upon your dedication to our cub scouts and the scouting program.

Once again, thanks to the boy scout staff who filled in and helped us out this year.

New directors are busy planning for next year. They are considering an INTERNATIONAL theme. The dates will be June 4—8, 2007. We will see you there!!

The climbing wall was a great success on Friday afternoon. Rob Truver was certified this spring in climbing and the cubs were ecstatic to be able to “climb that wall”. Thanks to Rob and his staff for making this possible.
